WORK EXPERIENCE

CURRENT, FROM JAN 2009

Trader at Enoi s.p.a., Milan
Physical Natural Gas Trading

Provided analysis of spreads, in particular time and location spreads, with emphasis on trading opportunities on the curve, also taking into account the availability of storage facilities. Became familiar with logistic implications of physical gas trading and developed knowledge of continental virtual hubs for gas exchange.

JULY 2008 – OCT 2008

1st year Analyst at LEHMAN BROTHERS, London
Commodities Structured Trading

Developed spreadsheets for risk analysis on exotic derivatives on a wide array of commodities (ags, oils, precious and base metals), managed blotter and secondary trades on structured notes, liaised with Middle Office, Sales and Structuring for bookkeeping.

SUMMER 2007

Summer Intern at LEHMAN BROTHERS
Capital Markets

Received pre-placed offer from the Exotics Trading Desk as a result of very positive review. Rated “truly distinctive” for Analytical Skills and Teamwork.
